
LONG-TERM CARE SERVICES & SUPPORTS

2020-21 COVID-19 IMPACT REPORT

IN IOWA HOUSE DISTRICT 79:

Long-term care has an annual economic impact of $24,631,565 in HOUSE DISTRICT 79. However, COVID-19 has had an immediate and extraordinary impact on long-term care providers in the district, which if left unaddressed in the state fisical year 2021, threatens the solvency of the sector.
