## **Program Description and Information**

The focus of this education is to provide nurses with the Iowa assisted living laws, rules, and regulations. There will also be a review of the A.L. survey process, the role of the A.L. nurse, and medication management. The course will prepare nurses to develop services and procedures that reflect assisted living values and comply with Iowa certification rules. Discussion of emerging issues will assure that your services comply with regulatory intent.

## **Who Should Attend:**

Assisted Living nurses - Whether you are new to health care, or simply new to the assisted living continuum, this course will give you the skills and confidence needed to understand the A.L. regulations and survey processes.

***This class meets Iowa Assisted Living Regulation: 481-69.29(6): All Iowa Assisted Living facilities must have a minimum of one delegating nurse, complete a A.L. nursing class whose curriculum includes at least six hours of training specifically related to Iowa rules and laws on assisted living.***
