PROGRAM DESCRIPTION:
Because of the complexities of the MDS 3.0, a comprehensive two-day training program has been developed. MDS 101 will cover the basics with MDS 201 going into more advanced MDS 3.0 training.

This training will review the new MDS 3.0 form and go through complete line-by-line instructions to ensure proper reimbursement, optimal outcomes, and quality care. There will also be a review of how to collect the data for the MDS, how to avoid common errors in MDS coding, and instruction on how to submit the MDS 3.0 forms.

LEARNING OBJECTIVES:
1. Identify how to accurately complete each section of the MDS 3.0
2. Identify documentation required for assessment
3. Identify how to use RAI manual and keep updated

WHO SHOULD ATTEND:
MDS Coordinators, Nurses, Social Workers (Those new to the MDS process with 3-6 months or less experience or with no formal MDS training) Administrators and DONs who wish to gain understanding of how MDS data impacts payment.
