PROGRAM DESCRIPTION:
Because of the complexities of the MDS 3.0, a comprehensive two-day training program has been developed. MDS 101 will cover the basics with MDS 201 going into more advanced MDS 3.0 training.

This education will provide additional training on the MDS with regards to the formatting and documentation required for Care Area Assessments (CAAs), the timing for OBRA and PPS assessments, and “I” Care Plans will be discussed to show how to make the whole plan of care related specifically to the goals of the resident.

LEARNING OBJECTIVES:
1. Identify correct timing for OBRA and PPS assessments
2. Identify how to complete the CAA’s process
3. Identify how to complete the care plan in relationship to the MDS

WHO SHOULD ATTEND:
MDS Coordinators, Nurses, Social Workers (Those new to the MDS process with 3-6 months or less experience or with no formal MDS training) Administrators and DONs who wish to gain understanding of how MDS data impacts payment.

SCHEDULE:
