PROGRAM DESCRIPTION:
This seminar will teach you how to organize and set up your Restorative Nursing Program to capture all of the restorative nursing care that is being provided. You will learn: how to identify restorative needs, implement programs, evaluate and document restorative care; requirements for CMS regulations and PPS/RUGS III; tips to streamline your program and deliver restorative care 24/7; what the surveyors are looking for to determine regulation compliance; MDS sections related to Restorative Nursing & how Restorative Nursing impacts Medicaid.

LEARNING OBJECTIVES:
- Identify principles & practices of Restorative Nursing
- Discuss qualifying criteria for PPS RUGS 53 payment
- Identify how to set up individual resident programs and a facility program
- Describe best practice models and scenarios for when restorative nursing is appropriate
- Identify documentation requirements and compliance
- Discuss ways of linking therapy, social services, activities and dietary

WHO SHOULD ATTEND:  Nurses  Physical Therapists  Rehabilitation Aides  Administrators
