

HOME HEALTH QUALITY CAMPAIGN PROGRESS REPORT

Report for GOOD SAMARITAN SOCIETY HOME CARE
802 N ROLFF STREET, DAVENPORT

ABOUT THE HOME HEALTH QUALITY CAMPAIGN

The Home Health Quality Campaign was developed by the Iowa Center for Home Care to provide free tools and resources to assist member home health agencies with Certificate of Participation requirements to develop, implement, evaluate and maintain an effective, ongoing, agency-wide data-driven Quality Assurance & Performance Improvement program. The campaign focuses on reducing hospital re-admission, improving patients' ability to take drugs by mouth and enhancing patient satisfaction ratings.
